## State:

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

## ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely, failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

## EXHIBIT A

The General Partner shall receive a performance allocation (the "Performance Allocation") at the close of each fiscal year or other period as the case may be equal to 20% of the Partnership's net profits for such period (including realized and unrealized gains and net of the Management Fee, as described below) attributable to each Limited Partner. The Performance Allocation shall not include any change in the value of a security position held in a Side Pocket Account (as defined below) until such security is reallocated to the capital accounts of participating Partners. The General Partner shall also receive a Performance Allocation upon any withdrawal by a Limited Partner, whether voluntary or involuntary, and upon dissolution of the Partnership. The Performance Allocation shall be in addition to the proportionate allocations of income and profits, or losses, to the General Partner and/or its principals based upon their capital accounts relative to the capital accounts of all Partners. The General Partner's Performance Allocation is subject to what is commonly known as a "high water mark" procedure. That is, if the Partnership has a net loss in any year, this loss will be carried forward as to each Limited Partner who is admitted as a Partner at such time to future years (such amount is referred to as the "Loss Carryforward"). Whenever there is a Loss Carryforward for a Limited Partner with respect to a year, the General Partner will not receive a Performance Allocation from such Limited Partner for future years until the Loss Carryforward amount for such Limited Partner has been recovered (i.e., when the Loss Carryforward amount has been exceeded by the cumulative profits allocable to such Limited Partner for the years following the Loss Carryforward). Once the Loss Carryforward has been recovered, the General Partner's Performance Allocation shall be based on the excess profits (over the Loss Carryforward amount) as to each Limited Partner, rather than on all profits. The "high water mark" procedure prevents the General Partner from receiving a Performance Allocation as to profits that simply restore previous losses and is intended to ensure that each Performance Allocation is based on the long-term performance of an investment in the Partnership. When a Limited Partner withdraws capital, any Loss Carryforward will be adjusted downward in proportion to the withdrawal.

In consideration for its services, the Adviser shall receive a management fee ("Management Fee") equal to 0.125% per month (equivalent to approximately 1.5% annually) of each Limited Partner's share of the Partnership's Net Asset Value. The Management Fee shall be payable quarterly in arrears and calculated as of the last day of each month during the relevant quarter. A pro rata Management Fee will be charged to Limited Partners on any amounts permitted to be invested during any quarter.

Subject to the Expense Cap described below, the Partnership shall pay or reimburse the General Partner and the Adviser for (A) all expenses related to organizing the Partnership, including but not limited to, legal and accounting fees, printing and mailing expenses and government filing fees (including blue sky filing fees), (B) all expenses incurred in connection with the ongoing offer and sale of Interests, including but not limited to marketing expenses, documentation of performance and the admission of Limited Partners, (C) all operating expenses of the Partnership such as tax preparation fees, governmental fees and taxes, communications with Limited Partners and ongoing legal, accounting, auditing, bookkeeping and other professional fees and expenses, (D) all Partnership trading costs and expenses (e.g., brokerage commissions, margin interest, expenses related to short sales, custodial fees and clearing and settlement charges) and (E) fees in connection with proxy contests or to protect or preserve any investment held by the Partnership, as determined in good faith by the General Partner, preparation and filing of regulatory applications relating to the control of an issuer, and all fees and other expenses incurred in connection with the investigation, prosecution or defense of any claims by or against the Partnership. The General Partner and the Adviser, in their sole discretion, may from time to time pay for any of the foregoing Partnership expenses or waive their right to reimbursement for any such expenses as well as terminate any such voluntary payment or waiver of reimbursement. The Partnership intends to amortize organizational expenses over a period of 60 months from the date the Partnership commences operations because it believes such treatment is more equitable than expensing the entire amount of the Partnership's organizational expenses in the Partnership's first year of operation, as required by U.S. generally accepted accounting principles. The Partnership shall only be responsible for the operating and other expenses described in clauses (B) and (C) above (the "Covered Expenses") up to a maximum of one percent (1.0%) of the Partnership's Net Asset Value at the end of each fiscal year (the "Expense Cap"). The Expense Cap shall be based on the average quarterly Net Asset Value of the Partnership for the relevant year. The Expense Cap shall not apply to the Performance Allocation payable to the General Partner, the Management Fee payable to the Adviser, or any administrator fees. To the extent that the Covered Expenses exceed the Expense Cap in any fiscal year, the General Partner shall pay such excess Covered Expenses either by charging its capital account or by making a direct payment, as determined by the General Partner in its sole discretion. The General Partner and the Adviser will pay their own general operating, administrative and overhead type expenses which are part of their day-to-day administration of the Partnership.
